Subject: Correction in Date of Birth - Application for Fixed Term Engineer Role,

Dear Sir/Madam,

I am writing to request a correction in my Date of Birth (DOB) as submitted in my application for the Fixed Term Engineer role. I have received an interview call scheduled for 06/03/2025, with document verification on the same day, and I am writing to rectify an error in my submitted details before the verification process.

During the application process, I inadvertently entered my Date of Birth as 01/04/2000 instead of my correct Date of Birth, which is 04/04/2000. This was a typographical mistake on my part, and I sincerely regret any inconvenience it may cause.

I understand the importance of providing accurate information during the recruitment process, and I wanted to bring this error to your immediate attention. I would be grateful if you could update my Date of Birth in your records to reflect the correct date, 04/04/2000, prior to my document verification on 06/03/2025.

Kindly let me know if you require any further details or documents from my side to facilitate this correction.

Thank you for your time, consideration, and understanding in this matter. I am eager to hear from you and attend the interview.

Yours Sincerely,

Himanshu Rajak
